A few tid bits about the wedding day:

Attire for the wedding is dressy casual-

For men that could include a button down shirt, slacks or chinos. If you feel inclined to wear a suit jacket or blazer go ahead, just know no men in the wedding party is wearing a suit.

For women that could include any type of flowy maxi or midi dress, a jumpsuit or dressy casual separates.

The ceremony will be on the beach and the reception will be in the Montpelier Garden, which will be on grass.

All that being said, take into consideration the location and that everything will be outside on the beach and on grass.
