4 Hour Catamaran Cruise with Snorkeling & Iguana Island stop

Checking interest first. To accomodate our group size, we will need to book well in advance.

Suggested day is October 25th @ 1:30pm.

Very fun. Rebecca and I did this on our "test drive" trip.

They will pick us up from our hotels beach!

Unlimited alcohol (Rum punch--YUM!), lunch, snorkel gear, music all included. We snorkel for an hour or so (you can snorkel the whole time OR stay on the boat and listen to the music). You can also jump off the 2nd tier of the boat into the water. We stop and explore Iguana Island for 45 minutes to an hour.

\$125 per person. Kids under 10yo are \$60. Check the link below for more info, pictures and video.
