Weekend Shenanigans - December 6th to December 9th
Thursday, December 6th, 2018 to Sunday December 9th

- **Thursday December 6th** - Please inform us if you will be arriving on this date. The resort offers a wide-range of activities and excursions that we can organize to be a part of. Once we know the early arrivals, we can provide you with a list of scheduled activities to choose from. We would love to spend some time with our guests ahead of the big day! Email us at forro_1999@yahoo.com or call or text at 617-877-5345
- **Friday, December 7th** - Similar to Thursday early arrivals, please let us know ahead of time so we can schedule a list of activities and excursions with you. Also, as part of the wedding event, we have a scheduled a sunset catamaran cruise at around 2:30PM, just for us! It's basically a booze cruise around the northern end of the island which lasts about 2 hours. Email us at forro_1999@yahoo.com or call or text at 617-877-5345 to confirm attendance.
- **Saturday, December 8th** – It is our big day! The wedding ceremony will take place on a small private island off the mainland of the resort. The ceremony is scheduled to start promptly at 5PM. Please arrive at the docks by 4:30 PM to be transported across to the island. The trip across to the island is less than 10 minutes. You will be provided with food and drinks while you wait.

The wedding ceremony and reception will start promptly at 5PM and end by 9:30PM as we would need to depart the island at that time. But don't despair, the party will continue on the mainland at either the Lounge or Main Bar! Since your safety is our number one concern so if the weather conditions are not ideal, the wedding and reception will occur on the mainland at a designated venue.

- **Sunday, December 9th** – if you are still around and standing? The festivities will continue with a final brunch. Reservations will be made at the Main Restaurant. Please let us know, if you will be around and are able to attend. We understand that some of you will want to start your nearly 2-hour journey back to the airport.
